

School Vision or Mission Statement

Elko High School promotes a climate of challenging instruction leading to the graduation of students prepared to be productive members of society.

School Belief

- **All students are valued individuals with unique personal and academic needs. Elko High School offers a balance of traditional and innovative programs and strategies to help them develop their strengths.**
- **An orderly, safe, well-equipped, and appropriate instructional environment promotes student learning, respect, and self-esteem.**
- **Students need to demonstrate through testing and performance that they meet the state curriculum standards.**
- **Extra- and co-curricular programs are an important aspect for building life-long learners, developing well-rounded individuals and involving the community in our school.**

Teachers, administrators, parents, students, school board, and community mutually share the responsibility for communicating with each other and advancing the mission of Elko High School.
